Low Isles

"So perfect, it's too hard to find the right words!"

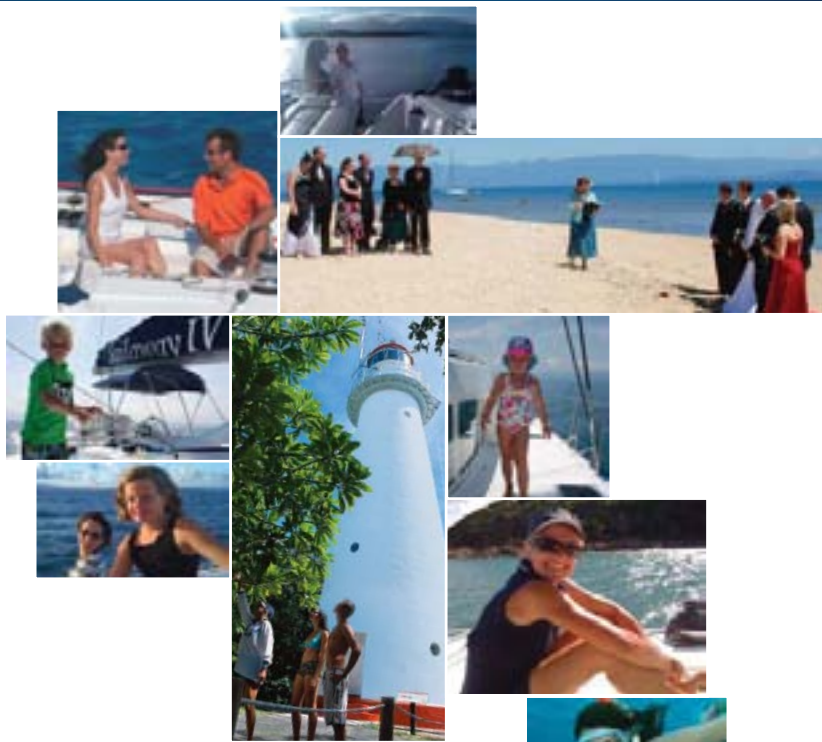

A Coral Cay Island on the Great Barrier Reef

"Steve, Katrina and crew provided us with genuine care and attention that was second to none. Our wedding day with Sailaway was all we imagined, dreamed and so much more! There's no words to describe the feeling of crystals seeming to sparkle on the water as we sailed out to Low Isles.

The butterfly that flew around us as we said our vows, and the turtle who popped up to say hello will forever be special moments both we and our guests will always remember. We look forward to celebrating our anniversary on Sailaway every year for many years to come."
