SNORKEL ONLY • SMALL GROUPS • REEF PRESENTATIONS

Sailaway VII is a stunning 25m sailing catamaran, ideal for sailing to the Outer Barrier Reef. This is the most sustainable and comfortable way to visit the reef. Sail along the coastline with views of the Daintree Rainforest, past Snapper Island before heading to the outer reef.

Sailaway's focus is sharing our passion for the marine environment with our guests through reef interpretation with expert guiding. We have a team of qualified Marine Biologists and Master Reef Guides who give informative and entertaining reef presentations, allowing you to fully appreciate the fragile environment and have an understanding of the marine life you will encounter.

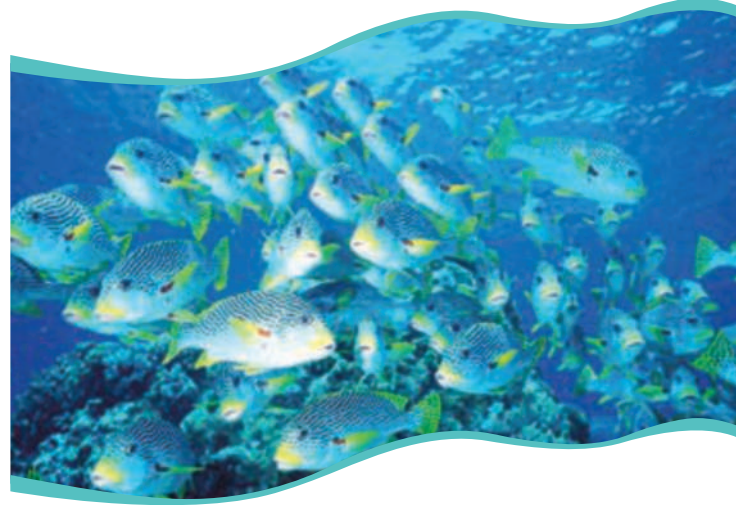

UNDINE CORAL CAY

SAILAWAY VII
SAILING VESSEL TO THE OUTER REEF

Sailaway is the only operator from Port Douglas who has access to the spectacular Coral Cays of Mackay and Undine Reefs. We have exclusive use of our reef sites which are perfect for snorkelling. There are vast areas of coral gardens to explore at your own pace. Being shallow and protected, you see beautiful corals, giant clams, turtles and fish life, up close. Ideal for taking underwater photos or watching the marine life in their natural habitat.

Nature activities include snorkelling over the pristine coral reef on our guided snorkel tour, enjoy a glass bottom boat for extra viewing and visit a spectacular Coral Cay. Enjoy aqua marine water and stunning views.

Our delicious lunch, morning/afternoon teas will compliment a day of adventure and relaxation.
